EDUCATION

Sri Eshwar College Of Engineering	B.E. CSE	CGPA - 7.9 %	2024 - Till Date
Vikas Vidyalaya Matric Hr Sec School	HSC	77%	2023 - 2024
Vikas Vidyalaya Matric Hr Sec School	SSLC	77%	2021 - 2022

CODING PROFILE

LEETCODE - 100+ Problems solved (Arrays, Strings, Recursion, Basic DSA) [Profile](#)

HACKERRANK - SQL 4 Star | SQL (Basic, Intermediate, Advanced) | Java (Basic) [Profile](#)

SKILLRACK - 1100+ programs solved [Profile](#)

PROJECTS

BILLING SOFTWARE – MERN STACK APPLICATION

Built a secure billing and invoicing system with authentication, product management, and real-time payment tracking using the MERN stack and Tailwind CSS.

ATHLIXIR WEBSITE – SPORTS & ATHLETE MANAGEMENT PLATFORM

Developed a full-stack responsive web app for athlete performance and event management using React.js and Tailwind CSS, with UI designs created in Figma.

ACHIEVEMENTS

SIH 2025 (Smart India Hackathon) – Shortlisted in Internal Hackathon round

EUREKA! 2025 – Zonalist in ASIA's Largest Business Model Competition by E-Cell, IIT Bombay

MSME IDEA HACKATHON 5.0 - Finalist; Funding up to ₹15 lakh for idea development and incubation.

DESIGN SHOWDOWN – First Place, organized by Sri Eshwar College of Engineering

DESIGN-A-THON – First Place in UI/UX Design, organized by Sri Eshwar College of Engineering

INTERNSHIP

UI/UX Designer – ACS Auto Consultancy

Designed 10+ Figma-based screens and interactive prototypes for an automotive service platform, improving user flow clarity and usability through iterative feedback.

UI/UX Design Intern – CodeGalatta

Created wireframes and high-fidelity prototypes for 2+ modules using Figma, collaborating with mentors to refine usability and user experience.

CERTIFICATIONS

Java (Basics) in HackerRank	Nov	2025
